Responsible Cage Aquaculture

MEDITERRANEAN WORKSHOPS

13-14 May 2014 → Athens, Greece

19-20 May 2014 → Bodrum, Turkey

Organized by the Global Aquaculture Alliance, these free two-day workshop — one in Athens, Greece, and one in Bodrum, Turkey — are designed for Mediterranean aquaculture producers eager to learn more about the Best Aquaculture Practices third-party certification system. The BAP standards encompass the entire aquaculture production chain and every key element of responsible aquaculture, including environmental and social responsibility, food safety, animal welfare and traceability. Sea bass, sea bream and meager are among the species covered by the BAP standards.

Day 1:

Overview of BAP Certification System
BAP Seafood Processing Plant Standards
BAP Feed Mill Standards

Day 2:

BAP Finfish and Crustacean Farm Standards
new BAP Hatchery and Nursery Standards
BAP Market Development
