Activities**Description of activity :**

Négoce, importation et distribution de matières premières et d'additifs chimiques, d'actifs, d'excipients et de produits naturels pour : la chimie et la parachimie, le caoutchouc, la peinture, les adhésifs, la microélectronique, l'industrie alimentaire, la cosmétique, la pharmacie la parapharmacie, l'industrie vétérinaire, etc.

Trade, import and distribution of raw materials and chemical additives, actives, natural products and excipients for: chemistry and parachemistry, rubber, paint, adhesive materials, microelectronics, food industry, cosmetics, pharmacy and parapharmacy, veterinary industry, etc.

Main products and services :

	21		Chemical base materials
EI	21	970	Basic chemical products for cosmetics, perfumes, detergents and soaps
D	21	970 12	Aldehyde derivatives, alcohol, for toilet preparations and detergents
D	21	970 13	Aldehyde derivatives, aromatic, for toilet preparations and detergents

D	21	970	16	Anisaldehyde for toilet preparations and detergents
		21	870	Precursors for polymerisation
D	21	870	15	Polyamides
D	21	870	17	Polycarbonates
D	21	870	18	Polyester and derivatives
D	21	870	19	Polytetramethylene terephthalate (PTMT)/polybutylene terephthalate (PBT)
D	21	870	21	Polyethylenes (PE)
D	21	870	23	Polyethylene terephthalate (PET)
D	21	870	24	Polyethylene, low density (LDPE)
D	21	870	25	Polyethylene, high density (HDPE)
D	21	870	26	Polyethylene, cross-linkable (XLPE)
D	21	870	28	Polyethylene glycol esters
D	21	870	29	Polyimide
D	21	870	31	Polyolefins NES
D	21	870	37	Polyurethane (PU)
D	21	870	38	Polyvinyl acetate (PVA/PVAC) and copolymers
D	21	870	39	Polyvinyl alcohol (PVA/PVOH)
D	21	870	41	Polyvinylidene chloride (PVDC)
D	21	870	42	Polyvinylidene fluoride (PVDF)
P	21	870	43	Isoprene rubber polymers
EI		21	860	Resins, synthetic
	D	21	860	02 Acrylic resins and polymers, water based
	D	21	860	04 Acrylic resins
	D	21	860	09 Coumarone resins
	D	21	860	12 Hydrocarbon resins
	D	21	860	15 Isocyanic resins
	D	21	860	18 Methacrylic resins
	D	21	860	20 Polyamide/nylon resins
	D	21	860	21 Polyamideimide resins
	D	21	860	22 Poly-arylamide resins
	D	21	860	24 Polyester resins
	D	21	860	25 Polyethersulphonic resins
	D	21	860	26 Polyethylene (PE) resins
	D	21	860	28 Polyimide resins
	D	21	860	29 Polyolefin resins
	D	21	860	30 Polyphenylene oxide resins
	D	21	860	31 Polystyrene resins
	D	21	860	33 Polytetrafluoroethylene (PTFE) and other fluorocarbon resins
	D	21	860	34 Polyurethane (PU) resins
	D	21	860	41 Silicone resins and derivatives
	D	21	860	46 Urea resins
	D	21	860	48 Vinyl resins
	D	21	860	52 Epoxidised oils and epoxidised (epoxy) resins

Other products and services :

	02		Agriculture and forestry
	02	590	Industrial plants and crops
D	02	590	11 Rubber/latex, raw
	03		Food
	03	710	Diet products
D	03	710	30 Fibres, dietetic
D	03	710	53 Additives and base materials for health foods
	03	920	Yeast for food and beverages
D	03	920	04 Baking powder
D	03	920	25 Yeast for the food industry
D	03	920	26 Yeast for the beverage industry
D	03	920	27 Yeast, bakers'
D	03	920	28 Yeast, confectionery
	03	960	Animal feed
D	03	960	52 Animal feed carriers and additives
	03	970	Fodder and cereal, for animals
D	03	970	48 Protein concentrates, vegetable derived, animal feed
	08		Ores and minerals
	08	500	Salt

P	08	500	10	Salt, industrial grade
	12			Textiles
	12	060		Textile fibres, man-made
P	12	060	11	Fibres, polyvinyl alcohol (PVA/PVOH)
D	12	060	41	Fibres, man-made, for paper reinforcement
	12	260		Fabrics, man-made fibres
	12	270		Fabrics, man-made fibres, by use
	12	730		Felt, felted fabrics and their products
	12	740		Felt, felted fabrics and their products, by use
	14			Timber, wooden products, machinery and equipment for the woodworking industry
	14	140		Sawmill wood by-products
P	14	140	05	Wood flour
	18			Rubber products
	18	030		Synthetic rubbers
P	18	030	01	Acrylic rubbers
P	18	030	07	Butyl rubbers (isoprene and isobutylene copolymer)
P	18	030	16	Styrene-butadiene rubbers (SBR)
P	18	030	17	Synthetic rubbers, chlorinated
P	18	030	32	Latex, synthetic
	18	050		Processed rubber
D	18	050	14	Rubber, reclaimed
P	18	050	15	Rubber granules
	18	070		Rubber and rubber proofed sheets
D	18	070	01	Crêpe rubber
	21			Chemical base materials
EI	21	010		Inorganic acids and anhydrides
EI	21	030		Inorganic alkalis, hydroxides
D	21	030	01	Aluminium hydroxides/aluminium hydrates
D	21	030	13	Calcium hydroxide/calcium hydrate/caustic lime/slaked lime
D	21	030	26	Magnesium hydroxide/caustic magnesia/milk of magnesia
EI	21	050		Sodium compounds
D	21	050	02	Sodium aluminate
D	21	050	05	Sodium aluminium sulphate (SAS)/soda alum
D	21	050	06	Sodium-ammonium phosphate
D	21	050	08	Baking soda (sodium bicarbonate)
D	21	050	24	Sodium chloride
D	21	050	28	Sodium chloroisocyanurates
D	21	050	33	Sodium dioctyl sulphosuccinate
D	21	050	34	Sodium dithionite/sodium hydrosulphite
D	21	050	47	Sodium hexametaphosphate
	21	051		Sodium compounds (cont'd)
D	21	051	23	Sodium phenylacetate
D	21	051	24	Sodium phosphates
D	21	051	32	Sodium pyrophosphates
D	21	051	40	Sodium stearate
D	21	051	48	Sodium tetraphosphate
D	21	051	51	Sodium tripolyphosphate (STPP)
D	21	051	54	Sodium compounds, pure
	21	060		Calcium compounds
P	21	060	01	Calcium acetate
P	21	060	08	Calcium carbonates
D	21	060	44	Calcium phosphates
D	21	060	54	Calcium stearate
	21	061		Calcium compounds (cont'd)
D	21	061	01	Calcium sulphates
D	21	061	08	Calcium compounds, pure
D	21	061	10	Calcium compounds NES
	21	070		Strontium compounds
D	21	070	54	Strontium compounds, pure

Distributeur de produits chimiques de spécialité et d'ingrédients alimentaires., ., Filiale de : IMCD (Pays-Bas), ., Entreprise certifiée ISO 9001 et ISO 14001, ., Bureaux : Paris, Lyon.

Distributor of speciality chemical products and food ingredients.

Main products and services :

21 Chemical base materials
21 861 Resins, synthetic (cont'd)
D 21 861 01 Resins, synthetic, for adhesives and agglomerates
D 21 861 02 Resins, synthetic, for paints and varnishes

D 21 861 03	Resins, synthetic, for high temperature resistant paints
D 21 861 04	Resins, synthetic, for inks
D 21 861 05	Resins, synthetic, for impregnating and waterproofing
D 21 861 07	Resins, synthetic, for moulding
D 21 861 08	Resins, synthetic, for castings
D 21 861 09	Resins, synthetic, for foundries
D 21 861 11	Resins, synthetic, for the electronics industry
D 21 861 15	Resins, synthetic, tackifying, for adhesives
D 21 861 16	Ion exchange resins
21 860	Resins, synthetic
D 21 860 04	Acrylic resins
D 21 860 18	Methacrylic resins
D 21 860 19	Phenolic resins
D 21 860 23	Polyisobutylene (PIB), polybutylene resins
D 21 860 24	Polyester resins
D 21 860 28	Polyimide resins
D 21 860 33	Polytetrafluoroethylene (PTFE) and other fluorocarbon resins
D 21 860 41	Silicone resins and derivatives
21 870	Precursors for polymerisation
D 21 870 06	Caprolactone polymer
D 21 870 08	Cellulose esters of organic and inorganic acids
D 21 870 09	Cellulose ethers
D 21 870 14	Polyacetals

Activities**Description of activity :**

Kalys est un fournisseur d'additifs et d'ingrédients d'origine végétale pour les secteurs de l'agro-alimentaire, de la nutrition santé, de la pharmacie, de la cosmétique et des sciences du vivant. , Le métier de KALYS consiste à identifier de nouveaux intermédiaires d'industrie (additifs, texturants) d'origine végétale, de les caractériser et de les standardiser pour les vendre à l'industrie. KALYS est désormais très présent sur les secteurs de l'agro-alimentaire, de la diététique, de la gastronomie et des sciences du vivant à la fois en BtoB et en BtoC. , Notre valeur ajoutée consiste à organiser et sécuriser (en qualité et quantité) les filières d'approvisionnement en produits végétaux nouveaux se substituant aux produits d'origines animale ou chimique (synthèse). , Notre culture est donc à la fois technologique (agronomie, biochimie, biologie, nutrition, génie alimentaire) et marketing. , Spécialiste des gélifiants et des milieux de culture, KALYS a mis au point une méthode unique de certification des agars utilisés comme matrice des cultures in vitro végétales. Cette méthode a fait l'objet d'une thèse de doctorat. Réputés pour leur performance et leur fiabilité nos produits offrent un rapport qualité prix très avantageux. , Kalys est spécialisé dans les ingrédients et additifs alimentaires issus de végétaux, en particulier des gommes comme l'Agar, le Konjac, la Tara, l'Inuline. Kalys offre une gamme large de farines et d'extraits couvrant les besoins fonctionnels des industriels de l'agroalimentaire et de la santé.

Kalys is a supplier of additives and vegetable-based ingredients for the food-processing industry, health nutrition, pharmacy, cosmetics and life science., The job of KALYS consists of identifying the new vegetable-based industry intermediaries (additives, texturing agents), to characterize them and to standardized them to sell them to industry. KALYS is now very present on the food-processing sectors, dietetic, gastronomy and life sciences for both BtoB and BtoC., Our added value consists of organizing and securing (in quality and quantity) the new vegetable products supply sectors being substituted by animal or chemical-based products (synthesis)., Our culture is therefore both technological (agronomy, biochemistry, biology, nutrition, food engineering) and marketing., Specialist of gelling agents and culture mediums, KALYS has created a unique certification method of agars used as matrix of in vitro vegetable cultures., This method was even chosen as a doctorate thesis. Known for their performance and reliability, our products offer a great product for a reasonable price., Kalys is specialized in vegetable-origin food additives and ingredients, particularly gum like Agar, Konjac, Tara, Inuline. Kalys has a large range of flours and extracts covering the functional needs of industries in the food-processing and health sectors.
